RE: USSN 09/662,278, Filed September 14, 2000, METHOD OF AND
SYSTEM FOR PORTABLE CELLULAR PHONE PATH VOICE
COMMUNICATION AND POSITIONAL LOCATION SEPARATE
PATH DATA COMMUNICATION - William Duvall

Dear Sir:

Supplementing our recent telephone discussion in re the above-identified patent application and our response to the Office action dated March 31, 2003.

We enclose a copy of Amendment A submitted under date of July 14, 2003 (in response to said March 31, 2003 Office action)—the amendment having included a petition for extension of time. Also enclosed is a copy of our returned postcard clearly stamped as having been received in the USPTO under date of July 14, 2003 (having mailed the same using a Certificate of Mailing and mailing via US Post Office Express [Express Mail No. EV 272603765 US] mail which affords us the actual date of putting the same in the mail), together with a "track and confirm" from the US Post Office Express Mail Office showing that the package was delivered to the PTO on July 15, 2003 at 9:45 am and signed for by J Steckel.

As you will agree, this case should not be abandoned and the amendment should be entered into the record.

Thank you for your attention in this connection and I remain
Sincerely,

RINES AND RINES

Irene O'Mara
